

SHINGLES VACCINATION CLINICS

THE ZOSTAVAX CLINICS FOR SEPTEMBER AND OCTOBER OF 2007 ARE FULL.

We are temporarily suspending the program as we plan for and conduct flu and pneumonia vaccine clinics. We will be scheduling more Zostavax clinics after the first of the year. New clinic dates will be published in your local newspaper and on the Town website at andoverma.gov. You may also call the Health Department at (978) 623-8295 for further information.

The clinics will be for:

Andover residents only
60 years of age and older

Cost will be \$10.00 and an appointment is necessary.

This program has been made possible by a grant from The Andover Home for Aged People.
